LOGOS

# LOGOS

We aim to create a seamless brand image for your company, with all the necessary marketing resources.

# THE IMPORTANCE OF TRAINING

Training is important because it represents a good opportunity for individuals to grow their knowledge base and improve their skills to become more effective in the workplace or personal capacity.

1. It improves skills and knowledge
2. It satisfies the recommendations of performance appraisals.
3. It tests the efficiency of a new performance management system
4. Address weaknesses and skill gaps
5. Preparation for higher responsibilities.

*"The goal of education is understanding: the goal of training is performance"*

HEALING THE WORLD MINISTRIES

## ISAIAH 61:1-4

Healing the world is a Gospel-centered, grace-driven ministry that offers hope, healing and restoration leading people to Jesus Christ through God's Word. Many people have been broken by sin one heart at a time.

### OUR VISION

Our vision is to bring out the best that God expects in every person using the Gospel of Jesus Christ to bring hope, healing, deliverance and restoration to those who are hurting by waking them through God's Word.

### OUR MISSION

We are committed to going out in the world to reach out to the broken hearted, oppressed, the poor and those who are hopeless, rejected, in Prisons, afflicted and those who have lost all. And to equip them through various outreach projects.
